

# Southeast Animal Clinic Overnight Boarding

Thank you for boarding your pet at Southeast Animal Clinic. While you're away, we want you to rest assured knowing that your pet is receiving the best care possible. We provide our own bowls, Science Diet Adult food, and towels/blankets as part of your boarding package. However, if there is anything else you would like to bring to make your pet more comfortable during his or her stay, please feel free to do so!

\_\_\_\_\_

**Would you like your pet to be bathed before going home? Please select yes or no.**     Yes     No

## Vaccination Information:

For the safety of your pet and the safety of the other pets boarding with us, your pet must be up to date on all vaccinations. If you are a current client, we will have these records on file. If you are a new client, we will need verification of your pet's vaccination status. You may fax these records in advance to (941) 275-6334 or email them to [southeastanimalclinic@gmail.com](mailto:southeastanimalclinic@gmail.com). Alternatively, you may bring these records with you when you drop your pet off.

Dogs must be current on Rabies, Distemper, Parvo, Lepto, and Bordetella. Cats must be current on Rabies and FVRCP. Any vaccines that are not current will be updated upon arrival.

## Authorization:

I hereby authorize Dr. Bessette and the contact listed in the above sections, in the event of an emergency, to make any medical decisions regarding my pet if I am unable to be reached.
